

U.S. ARMY VMware Horizon View ELA Companion Products

If you take advantage of VMware U.S. Army Enterprise License Agreement's (ELA) simplified IT procurement, you know what you want to do.

We'll show you how you want to do it.

ClearCube Technology's all TAA compliant Zero Clients and VMware Horizon View are made for each other.

They are the absolute SMARTEST purchase decision for the U.S. Army budget.

- SECURE**
- ECONOMICAL**
